

## Projects hotels

Company Empire M has extensive experience in the design of hotels and gostinichno malls. For more than two years we have completed projects gostinichnykh buildings. Our work is presented below. The project 8 floors of the hotel in Astana city has 147 rooms with a restaurant, fitness centre, Spa and Parking. Architect Voynov D. V. design 2013. Implemented an adapted project model of the hotel Lazur in an administrative building on the Haiti Dominican Republic Architect Voynov D. V. Year of development 2012. Individual project 5-этажной mini-hotels of castle style with 13 rooms with restaurant and summer terrace with a total area of 1532 m<sup>2</sup> Architect Voynov D. V. Year of development 2012. Exclusively project 7-storey hotel with 27 rooms, 12 double, 9 Junior suites, 6 apartments, with a spacious restaurant on 560 m<sup>2</sup>. The project includes 345 m<sup>2</sup> of outdoor terraces. Architect Voynov D. V. Year of development 2012. A modified draft model 2-storey hotel Sabrina 11 double rooms with bar and summer quarters. Total area is 376 m<sup>2</sup> Placement Sevastopoltelecom Warriors D. V. Year of development 2012. The hotel is an entertainment complex located on the picturesque Bank of the Dnieper. Despite the relatively large size of the hotel includes all the necessary infrastructure for a comfortable stay and rest. Three star hotel with built-in facilities of restaurant and cuisine is one of the four main buildings of the complex. The unusual shape of all buildings is dictated by the desire to provide the most comfortable and a little fabulous atmosphere for the inhabitants of the metropolis tired from the hustle bustle and ordinariness. Client individual The location of 32km of motorway Kiev Obukhov. Year of development 2007. On the design of hotels, please contact us by phone or come
